

RUSHIKESH BALASAHEB WAKDE

rushiwakde100@gmail.com | +91 9096871683 | [LinkedIn](#)

Summary

An enthusiastic engineering student. I am a self-driven individual with an ability to adapt to any situation, passionate about learning new things and highly optimistic with an aim to explore the best version of myself in order to work well with people in the industry.

Education

Sinhgad College of Engineering, Pune

- Electronics And Telecommunication / CGPA: 7.82

Dayanand Science College, Latur

- Percentage: 94

Parimal Secondary School, Latur

- Percentage: 88.40

Technical Skills

Language : Java | HTML | CSS | JavaScript | SQL | Python | C++

IT Construct : Data Structure and Algorithm | Object Oriented Programming

Database : MySQL | DBMS

Relevant Coursework : Generative AI | Cyber Security

Projects

Sorting Algorithm Visualizer

- Developed a dynamic web-based sorting algorithm visualizer to illustrate complex sorting algorithms in real-time.
- The visualizer generate bar representation of data points and animates the sorting process providing an intuitive understanding of algorithmic mechanisms.

Employee Payroll System

- Developed a terminal-based Employee Payroll System using Object Oriented Programming (OOP) Principles and java.

Certifications

- [Certification of Java Programming by Coursera](#)
- [Certification of Web development by Webflow University](#)
- [Oracle Cloud Infrastructure 2024 Generative AI Certified Professional by Oracle University](#)
- [Certification of Python programming By SimpliLearn Skillup](#)
- [Scored 70/100 in programming test offered By IIT Bombay](#)
- [Introduction to Cyber Security By CISCO Network Academy](#)

Achievements

- **Coding profiles:** 1) [HakerRank](#)
- Achieved 70% marks in java programming and 85% in C++ test organised by IIT Bombay.
- Gold badge in java on HackerRank.
- Achieved 90% Marks in Generative AI Certification test Provide by Oracle University.

Internships

- [Internship certificate - Web Development](#) : Completed 1-month internship in offline mode By Right Shift Infotech.
- [Internship certificate- Java Development](#) : Pursuing an 6- month Java development internship in online mode with stipend of 5k/month provided by Hackveda.

Seminar / Training / Workshops

- [International Level Student Workshop - 2k24](#) On Data Science using Python by Brain O Vision.
- [Certification course in IR4.0 Foundation](#) by Edunet Foundation.
- [Python Programming with real time applications](#) by Bharat Soft Solutions.
